

We will have a "QUILT 'N TELL" this evening of finished or almost finished projects, **from a previous QRM retreat**. We would love to see your quilt as long as it has not been shown at a previous retreat. It can be a quilt that was made in a class or in your SOYO room. Fill in this form and drop it off at this registration counter or at the information table on the 1<sup>st</sup> floor lobby of this building. Be sure to bring your quilt to the information general meeting Monday evening after supper. *One item per person please.*
