

Optional Bonus for MA 120 Test #1 Fall 2009

- A. Complete Orientation to MyMathLab on CourseCompass for bonus point added to Test #1 as follows: (available until day of Test #1)
 - 1. 100% = 1 point

- B. Complete corresponding homework on CourseCompass for bonus points added to Test #1 as follows: (available until day of Test #1)
 - 1. 70% – 79% correct = 1 point
 - 2. 80% - 89% correct = 2 points
 - 3. 90% - 100% correct = 3 points

- C. Complete one origami from my “page a day calendar” and show finished product to class = 1 point (ask me for the origami page—due one class day prior to test)

- D. Using Word 2003 or 2007, type out 5 questions that could be used as a study guide for your classmates for this upcoming test. Problems should come from sources other than your textbook, Coursecompass or lecture. Leave a space large enough between problems for you to show your work and write out step by step solutions for each for bonus points added as follows: (due one class day prior to test)
 - 1. 5 original, relevant problems typed out using Word = 1 point
 - 2. Handwritten, step by step work shown correctly for each of the 5 problems with answers circled = 1 point
 - 3. Posted online for class to access (give web address to class) or make a copy for each student = 1 point
