Dear Parents,

I will be your child's special education teacher this year. My name is Nancy Barnes. For the last thirteen years I have taught special education at Gautier Middle School. I am married to a great guy and have three grown children. I live in Ocean Springs.

I am very excited about teaching at Central Elementary. I hope that we can become friends as the year goes by and work together to educate your child. I will do everything I can to see that your child has an exceptional year. My goal is to help them learn as much as possible. Anytime you need to talk to me please feel free to call me at the school. The number is 938-6559. I can also be reached by email at nbarnes@psd.k12.ms.us. Email is usually the best way to reach me if you need to know something right away. I may not get the phone message until the end of the day. I am looking forward to having a great year.

Sincerely,

Mrs. Nancy Barnes
